

Land's End

We as a site support the following:

- Annual donation to the local school (Sennen)
- We have a series of collection boxes for the RNLI across the site and hold an event every year in which the lifeboat crew come on site and collect.
- We hold an event for Cornwall Air Ambulance.
- We have nominated the local hospice as our charity this year; so far £734.68 collected (St Julia's Hospice)
- Two managers are 'First Responders' for West Country ambulance. They are on call throughout the day and respond to emergencies in the local area.
- One employee is a member of the lifeboat crew and is on permanent 'standby'
- Although not direct finance, we support the local RSPB in supplying a hut for their observation area.
- Work along side local land owners/farmers in creating conservation areas and maintaining public paths along the cliffs.
- Initial work on 'green', issues which are having an impact on the locality – Recycling, looking at alternative energy.
